

T Bar M Lake Travis - Packing List

Be prepared to be outside and get dirty!

- Comfortable and weather appropriate clothing ... this is an adventure, not a walk in the park!
- **Camera** ... you will want to capture your experience!
- **NO PETS ALLOWED** ... we love animals, but the wild animals may not like your pet.

Additional packing items for those who stay overnight ...

- Warm / cool weather clothing and bedding ... it's Texas folks ... be prepared.
- Bedding for **twin** mattress ... sleeping bags work ... and don't forget your **pillow**. Remember, cabins are screened in with no heat or air conditioning
- **Extra** pair of shoes ... better to be extra prepared.
- **Flashlight** ... it will be most helpful at night navigating a late night walk to the bathhouse!
- Towel and washcloth
- Toiletry items (toothbrush, shampoo, etc.)

If participating in our Barnswing, Climb Wall or Pool

(Note these activities are scheduled in advance by the group leader)
